West Sussex Programme of Events

2018

Welcome to Safeguarding Month 2018 Programme of Events

Safeguarding Month is our second dedicated annual month of learning events coordinated by the West Sussex Safeguarding Adults Board, Safeguarding Children Board and the Safer West Sussex [Community Safety] Partnership. The month has been developed in collaboration with West Sussex County Council and all our multi-agency partners.

The key purpose of the month is to provide a range of learning and development opportunities for staff and volunteers working in the sectors of safeguarding adults, domestic abuse and safeguarding children.

Safeguarding is everyone's responsibility all year round. Although this programme only contains information on learning opportunities taking place throughout November, various safeguarding training runs throughout the year. Click [here](#) to view WSSCB training calendar and click [here](#) to search safeguarding courses on the Learning & Development Gateway. If you do not yet have an account for the Learning & Development Gateway click [here](#)

Our campaign messages are simple and clear

We believe that . . .

EVERYONE has a part to play in keeping people safe (adults with care and support needs, children and young people) from abuse, neglect and exploitation through promoting their wellbeing.

Safeguarding is about what we can do together to identify, respond and support people who are being abused, neglected or exploited and understand whose wellbeing is being compromised.

Help and support is available - safeguarding processes work with the individual, carers and their family to meet their needs.

Anyone can raise a concern – To report a safeguarding concern for a **child** call MASH on 01403 229900 (8am-5pm) or 0330 222 6664 (evenings/weekends). To safeguard an **adult** call Carepoint on 01243 642121

West Sussex Safeguarding Adults Board www.westsussexsab.org.uk and West Sussex Children Safeguarding Board www.westsussexscb.org.uk websites contain a wealth of **information and resources to help you.**
