

West Sussex Safeguarding Adults Board

Training Sub Group Terms of Reference

1. Purpose of the Sub Group

The purpose of the Training Sub Group, as part of the West Sussex Safeguarding Adults Board (SAB), is to establish systems for monitoring, reporting and evaluating training across organisations with regards to safeguarding adults; linking annual reporting to improvements and consistency in training and a measurable work programme.

The group will bring together managers from key agencies. Members will be responsible for ensuring safeguarding training is consistent and delivers the key messages and criteria required within their own organisations and those which they have influence over. Members will be committed to effective partnership working based on trust and open communication, as outlined in the Care Act 2014, and members will need to be aware of and understand organisational frameworks within which colleagues in different agencies work.

Key purposes of the group include:

- To be an effective decision making sub group, which can ultimately take forward work on behalf of the Board
- Support the development and implementation of the training strategy, ensuring links with other key strategies and Boards are effective, so members are aware how activities link to safeguarding training and awareness
- Ensure that multi-agencies work together and develop effective plans to deliver consistent safeguarding training standards
- Regularly review and audit multi-agency training to ensure consistency and standards
- Linking in learning and development from Safeguarding Adult Reviews (SAR) and Serious Case Reviews (SCR) to future training; and being involved in specific learning or training events where appropriate
- Regularly horizon scan to ensure members are aware of national and local tools and resources which have been developed
- Bring forward areas of concern or training gaps to the Sub Group and escalate as appropriate
- Collate training figures from all partners, and ensure training compliance is being adhered to and managed
- Be involved on planning roadshows and SAB training events across the county
